Planning Your Wedding

With Premier Meals Catering

Premier Meals catering believes in designing a specialized menu for every event in order to best suit your needs. We would like to offer the following information to help assist you in planning a menu for your special day.

Meeting with the consultants...

Contact 815 758-3932 to arrange a meeting with our catering designers, typically held at the reception venue

Following the first consultation, a Premier Meals Catering designer will be able to discuss and help create your custom wedding package.

All details of your reception will be finalized three to four weeks before your wedding.

Setting the date...

A \$500 deposit will be required to insure that the date of your reception is reserved. The deposit will be applied to the final cost.

Final payment will follow approximately one week prior to the event.
